The Mason LINE

by Chan Mason

The recent disturbance caused by a small minority at a recent football game at the S. D. Stadium has caused the S. D. Board of Education to consider eliminating all city league night football games in the future.

We have written before of the fine sportsmanship and excellent behavior displayed by our local high schools, Helix and Grossmont, and we would like to repeat the statement that we've seen two games at the Helix Stadium, one played by Helix and one by Grossmont and at both games, we were proud of our younger citizens. We feel certain that the students themselves will see to it that this same fine spirit will prevail in the future. We sure hope so as we like to see the games too.

—M L—

While we're on the subject of schools, we'd like to congratulate the Grossmont student body for their anti-litter campaign (they are doing their best to curb adult delinquency). Also, a bow to Dr. Dave Wilhite for his free physical exams for Helix football candidates—and to Bert Betts for having been chosen as a delegate to the governor's conference on school problems held last week at Sacramento. Bert is chairman of the L. G. Elementary School Board and is leading the fight put up by the board to retain the geographical status quo of our local school district. The current battle is over the attempt to swipe the proposed Walker-Scott development from the L. G. School District. More on this later, but better yet, why don't you attend a school board meeting on the second or fourth Monday of each month?

Lem Says 'Howdy'

Meet Lucky Lem, the little guy who will guide area shoppers to a parade of bargains through the columns of this newspaper next week during Lucky Lemon Days.

The Merchant's Division of the Lemon Grove Chamber of Commerce has set up the event and if it proves successful, similar events will be offered throughout the year.

Almost 100 business firms have contributed to a fund to set Lucky Lemon Days in motion.

This newspaper will carry advertisements of many of these business firms. Advertisers have assured us that prices will be drastically reduced so as to encourage more local shopping.

This newspaper will be delivered to every resident in the Lemon Grove postal zone in order that none will miss these bargains.

If you are planning to shop elsewhere during the coming week, take our advice and wait for Lucky Lemon Days on Thursday, Friday and Saturday and save enough to make you say "I'm glad I shopped in Lemon Grove where I can park while I save."

2½ Acre Site Selected for L. G. Swimming Pool

A swimming pool for Lemon Grove youngsters was nearer reality today when the Lemon Grove Swimming Pool Association tendered a contract of purchase to the owners of a 2½ acre tract on Mt. Vernon near Washington. The area is near the proposed junior high, the site of which extends from Palm through to Mt. Vernon.

Byron Netzeley, school superintendent, said that the proximity of the site (400 west) of the proposed school would indicate an exchange of facilities. Swimming pool people had indicated that locker facilities of the school might be asked.

Owners of the property are Walter and Edith Denlinger, long time Lemon Grove residents.

A committee of the Swimming Pool association comprised of V. J. Dorman, James Pearce and

were forced to display a true analysis tag on each bottle? It should be an excellent way to sell Turns.

—M L—

Speaking of advertising:

We've all made sport of the tv commercials and we will say the World Series sponsor pressed the credulity of us all with their player testimonials, but by golly, we're going to buy some blue blades even though we have an electric shaver—it's the least we can do to show our appreciation for giving us for free, a box seat to the great series.

—M L—

BARGAIN OF THE YEAR—

For \$1.00 any adult can take the adult beginner's conversational Spanish course in L. G. on Wednesdays or La Mesa on Fridays. Now that my wife is taking the course, maybe we won't feel so foolish when we go duck hunting in Mexico this year. The flapping of the arms and asking the natives "Donde esta quack quack?" just doesn't seem to be getting the results no more.

We like to see people happy and all that, but the convulsions and rolling on the ground bit which results from the above question produces mighty few mallards.

—M L—

Jack Durham have been negotiating for the property for several months. According to terms of the contract the association will pay the Denlingers \$12,500.00 for the tract, or \$5,000 per acre.

Dorman, an attorney, said that the sellers had indicated they would accept the offer prior to his drawing up the contract.

One of the features of the site is that an easement 40 feet wide from Washington Street is also being acquired. The property is 202 feet on Mt. Vernon, running south 495 with the easement area taking off toward the west. The property will wrap around the S.E. corner lot.

Dorman said that plans to incorporate other recreational facilities for the youngsters eventually would soon be considered.

More Discussion of School Bonds Set For Men's Club

Mrs. H. W. Kohler, 7656 Circle Drive, one of the founders of San Diego County Foster Parents Association, told the Men's Club Friday how the group was saving taxpayers' dollars.

"We need legislation to define the exact responsibility of the welfare department," she said. Mrs. Kohler has adopted one foster child and houses another in addition to her own children.

The Men's Club this week will hear Lewis Smith, Grossmont High School District superintendent, answer questions regarding the 2½ million dollar bond issue scheduled to be voted this month.

Arthur Eddy, county tax assessor, will discuss his fight with the State Board of Equalization in which he rejects the board as "county assessor."

So effective has Eddy's fight been that Robert McDavid, board member, has accused Eddy of mental illness because he had the courage to attack an "arbitrary" action of the board, Eddy said. Arnhold Smith Jr., manager of the U. S. National Bank in Lemon Grove, will be program chairman. Dan Thren, local realtor, will be program chairman.

Free Admission to Helix Game For Grove Youngsters Friday

There's a real football break in store for Lemon Grove kids Friday.

All youngsters who live in Lemon Grove will be admitted free to the Helix-St. Augustine game if accompanied by their parents.

Reason for the offer is the determination of the athletic department of Helix to bring out a greater spirit of unity among fans, according to Robert Devine, head coach. A special section in the well-lighted Helix stadium will be set aside for Lemon Grove visitors. The Grove Junior High School band, the Helix band and special ceremonies will be among the features.

Game time is 8 p.m. and adult admission price is \$1.

\$500 Goes Into Grove C of C Parking Fund

The Chamber of Commerce parking project was richer by \$400 as a result of a gift last week of that amount by George Scott and his associates. The money was earmarked for improving the area leased recently by the chamber from the San Diego Eastern Railway for \$100 a year.

Scott is president of Walker-Scott Company, the firm which plans a multi-million dollar shopping center on College Avenue.

"Lemon Grove can best continue to thrive by offering adequate parking, and of course, by intelligent, aggressive merchandising," Scott said. "As a future area merchant we are happy to be able to contribute to its healthy, orderly expansion. We look forward to the future when we shall be working side by side."

Previously, Anthony Sonka had contributed \$100 for use in the expense of clearing the parking area along the railroad tracks. Sonka is a local property owner with wide holdings.

The contributions were accepted by Dr. Robert Swenson in the name of the chamber.

A movie queen's face is her fortune, and it usually runs into a good figure.

Businessmen Complete Details Of Selling Event

By JACK BECKER

A general meeting of the Lemon Grove Merchant's Division of the Lemon Grove Chamber of Commerce was held Monday night at the Justice Court to hear final plans for the first quarterly selling event of the area, "Lucky Lemon Days."

Chairman Abe Goldberg and his credits committee gave a report to the merchants on the progress that has been made to date, and Jack Becker and his associate from B/C Advertising Associates explained the general plans for the celebration. Max Goodwin of the Review reported on the progress being made on the special edition of the Lemon Grove Review to be published next week. All of the merchants in the association were urged to make the "Lucky Lemon Days Special" do a real selling job for the whole community by lending their full support.

The general theme of the celebration of Lucky Lemon Days was fully explained by Chairman Goldberg and his committee, and the highlights of that theme are: Ease of Shopping, Wide Selection of Shops and Stores, No Parking Meters, No San Diego City Sales Tax, Personalized Service, and Competitive Prices with Downtown Stores.

"With everyone's wholehearted support, we can make Lucky Lemon Days the kind of a selling promotion that Lemon Grove has needed for some time, and by its success all the merchants and businessmen in this area will feel the full impact of an all out advertising and selling effort to building up the shopping area of Lemon Grove," Chairman Goldberg said.

The name of the show will be announced on October 10 in the form of posters in the windows of our leading merchants about town. Watch for these, they mean opportunity and fun for all. This production will be presented at the Helix High School Little Theatre early in December.

Drainage Problem To Be Discussed By School Board

Two drainage problems near school sites will be discussed next Monday evening, October 10, when the board meets at 7:30 at the Lincoln Street Education Center. These problems arise from drainage near the San Miguel School and the junior high grounds near Acacia Street.

Other items to be taken under consideration are the annexation question and the purchase of the Jaffe property as a future site for classrooms. The school board will also give consideration to possible discussions of bus maintenance, a garage, and warehouse facilities. The meeting begins at 7:30 and the public is invited.

Pet Shop Gives Kittens to Youngsters Each Week

Want a kitten at your house? If so, see Mr. Gray, at Lemon Grove Pet Shop, 8303 Imperial Avenue. For some time he has had a "kitten giveaway" each Saturday at his store, and many kittens have found good homes and affectionate owners.

Folks whose mother cats present them with more kittens than they can dispose of to the neighbors bring the little cats to Lemon Grove Pet Shop on Saturday morning, come and get those not given away at night.

No child is given a kitten unless accompanied by a parent, or with a signed request.

Gray came to this country from England seven years ago, after service during war in a hospital in London, where he had charge of the purchase of supplies for 1100 employees and patients of three branches. He studied medicine, but was unable to complete the course and obtain a degree for financial reasons. Things were pretty rough in London during the war, with victims of bombings brought in either wounded or dead, and all had to be cared for under Mr. Gray's supervision.

Begonia Bunch To Meet Monday

San Miguel branch of the American Begonia society, formerly the La Mesa branch, will meet Monday at 8 p.m. in the Veterans of Foreign Wars hall, Lemon Grove.

Charles Williams, president, will conduct the business meeting, and Albert Henderson, vice president, will introduce Mrs. Louise Schwartzfeger of Santa Barbara, who specializes in Rhinomatous Begonias. A social hour will follow.

MEMBERSHIP DRIVE GETS UNDERWAY FOR GOLDEN P-TA

"Put a Feather in Our Hat" will be the plea of the Golden Avenue students these two weeks as the P-TA membership drive gets under way. Each parent enlisting puts a feather on the "cap" in their child's classroom.

The memberships are 50c apiece and give you participation in the most powerful and largest education-minded group in our nation.

Membership is by no means a passive affair. Last year, besides the regular school aid given, a bicycle safety campaign and inspection was sponsored; welfare of various kinds, glasses, food, shoes, etc., given to those in need of them; and, of course, the well-baby clinic, sponsored and operated by the cooperative efforts of all the P-TAs in the area. At the clinic, babies and pre-school children can be given immunizations and examinations free, by public health doctors and a trained staff.

The larger our membership, the more varied and effective our program of school and community assistance can be. So, parents of Golden Avenue, sign up and become a "feathered" friend.

PARSONS TO SEE GRANDSON FOR FIRST TIME

A trip that will cover most of the western states has been started by Jean and Bill Parsons, he of the real estate firm, and she the beautician.

What's more, they'll see their grandson in New Mexico for the first time. The young one was born September 14. After touring various parts of New Mexico they return to Lemon Grove for a trip to Washington. In all they will be gone about one month.

REAL ESTATE CLASSES TO AID PROSPECTIVE REALTORS

Real estate classes will be held Monday, Wednesday and Friday evenings at Hoover Evening High School beginning this week.

Dan Thren, Lemon Grove realtor, will be instructor and lecturer.

Real estate law, practice and principles will be taught two nights a week. Advanced real estate law will be taught Monday evenings.

Thren said the purpose of the classes is to aid prospective purchasers in avoiding pitfalls. It is also designed to aid those who plan to take the state examination for a real estate license.

SPIRITUAL CONCERT PLANNED FOR LAKESIDE

Over 100 voices from the combined choirs of the Lakeside Community Presbyterian Church will present a spiritual concert at the Lakeside Union School, Friday, October 7 at 7:45 p.m., under the direction of Mrs. Wally Toomire, accompanied by Robert Henderson.

The Junior Girls Choir under the direction of Doris Stewart will join the other choirs. Soloists include Mildred Boelter, formerly of Lemon Grove, Wally Toomire, Doris Stewart, Wm. Farmer, Bruce Nemecheck, Betty Pask, and Eileen Lindstrom. The Toomires are former residents of Lemon Grove.

A newly formed Boys' Choir will make their first appearance on this program. The public is cordially invited. A free will offering will be received.

CERAMICS CLASS TO BE STARTED AT GROSSMONT

The Department of Adult Education announces the opening of a new class in ceramics. The class will open October 6 under the direction of Mrs. Willabeth Heck.

The class will meet on Thursday mornings from 9 to 12 in the Adult Center, 110½ Main Street, El Cajon.

Mrs. Heck is offering a variety of techniques for working with clay and on greenware. The class will work with special glazed effects such as beading and art matt glazed.

Further information may be had by calling HO 6-4155.

Lemon Grove Juniors To Hostess County Conference

Lemon Grove Juniors will be hostess to the first conference this year of the county's 2500 Junior Clubwomen, Saturday in the Lemon Grove Junior High Cafeteria.

County president and past president of Lemon Grove Juniors, Mrs. Leroy Scagliotti, will preside. As her theme, Mrs. Scagliotti has chosen "To bring Happiness to Others."

Representatives of the 21 county clubs will meet in an all day conference to make plans for the coming year and discuss problems of redistricting facing California clubwomen this year.

Highlight of the conference will be a talk by Mrs. James Cavanaugh, past Junior state president and senior district chairman.

Also scheduled is a program by members of the Lemon Grove Juniors and reports of the Southern District Workshop which was held September 17 at the Carlsbad Hotel.

Mrs. A. E. Walter, county Senior president, will formally present the new Junior advisor, Mrs. Arthur Crom, whose appointment was announced a few days ago. She will replace Mrs. David Hentigan, well known local clubwoman, who was forced to resign due to the pressure of business. Although no longer a Junior, Mrs. Crom is top clubwoman with California Juniors and her appointment was greeted enthusiastically.

Local club president, Mrs. Billy Castle, club advisor, Mrs. Ralph Richardson, and 36 members will greet and serve luncheon to the hundred county Juniors expected to attend.

Red Cross Classes May Save a Life

A new series of Red Cross classes are being held each Thursday night at 7:30 in the Civil Defense Room of Youth Center.

Roland Purvis, a disaster instructor during the war, is conducting the classes, according to Dorothy Nottingham, civil defense chairman for the Lemon Grove Juniors.

Mrs. Nottingham said that instruction is for two hours each week and 18 hours make up the complete course. Artificial respiration taught in this class, she said, has produced a 90% recovery after 2½ minutes; 60% in 3-4 minutes and 10% in 6 minutes.

After a disaster or a catastrophe it is too late to offer help unless you have this vital knowledge, she said.

NEW OFFICERS TAKE OVER AT LEVIS AND LACES

Last Saturday night Levis and Laces Square Dance Club held their regular monthly party dance using "Football" as the theme.

The Woman's Clubhouse was gaily decorated with pom-poms, banners for each Heartland square dance club, and completed with goal posts at each end of the hall. Aggie and Andy Lizama, with the assistance of their social committee, served coffee and doughnuts to about 150 members and guests after the dance.

A highlight of the evening was a very splendid performance given at intermission, by nine pom-pom and two flag girls from Helix High School.

Guest callers assisting Clarence Montgomery were Marion and Tom Ashton, Bill Keller, Juan and Don Frank, Stan Bryant and Alden Lindsley.

Recently elected officers of the club, who took over their duties in September are: President, Clyde Walker; Vice President, Pat Andrews; Recording Secretary, Betty Rupp; Corresponding Secretary, Helen Sailors; and Treasurer, Frances Jones.

New board members are Johnnie Fisher and Ray Miner, who will serve along with Beth Wentzel and Del Diercks. John Blecha and Bob Jones will remain as Heartland federation representatives.

The newly formed beginner class meets every Monday night at the Woman's Clubhouse, and the workshop, on the intermediate and advanced level, continues to meet on Wednesday nights, with Clarence Montgomery as caller for both.

Ad Rates in Big Mags Going Up—Up

The two items following were lifted from Changing Times, the Kiplinger Magazine. We thought it might interest our readers to learn the costs of ads in the slick magazines. Advertising rates in the Lemon Grove Review have not been raised, despite our increased circulation.

Circulation up, ad rates up. When a magazine's circulation goes up, its ad rates go up, too. Circulation of the Saturday Evening Post has gone from 4,450,000 to 4,650,000, so the cost of a one-page, black-and-white advertisement will be raised from \$16.800 to \$18.145. Life's circulation has risen from 5,400,000 to 5,600,000, and the cost of a black-and-white

Carri's CORNER

No living man can recall such a
 great manifestation of shock,
 consternation and grief over the
 illness of any American such as
 we have just witnessed and felt
 over the terrible blow recently
 suffered by our beloved President.
 It seems almost unbelievable in
 these days of cynicism that any
 man could be so universally re-
 vered and prayed for. His heart
 must overflow with the knowl-
 edge of how highly we esteem
 him and this is the reward of a
 good man who loves his fellow
 man and his country and serves
 them selflessly, with modesty,
 competence and dignity which
 have been so sadly lacking in
 that high office for so long.

Our prayers have been answer-
 ed and our President is on his
 way to recovery, certain but dis-
 tressingly slow at the time we are
 all so preoccupied over the fate
 of our country which is beset by
 dangers from all sides and sorely
 needs his wise and calm leader-
 ship.

May God bless him and keep
 him well and happy for many
 years to come, and may God bless
 our country and keep it safe.

NAVY CELEBRATES BIRTHDAY OF GROVE MAN

PACIFIC FLEET—A birthday
 celebration was held aboard the
 attack transport USS Lenawee
 September 17 in honor of Thom-
 as P. Nolen, chief boilerman,
 USN, of 1965 Fairhaven, Monte-
 rey Heights.

The ship's bakers furnished a
 decorated cake, and the Navy
 man was congratulated by the
 commanding officer at the cake
 cutting ceremony.

The Lenawee is operating off
 the coast of California.

Arthur Radford, admiral, chair-
 man, Joint Chiefs of Staff:
 "Certainly, we are in no posi-
 tion to be complacent, either
 quantitatively or qualitatively."

SOUR NOTE

It is said the author of "Sweet
 Adeline" is not only still living
 but says he has no regrets—San
 Francisco Chronicle.

BILL DEAN has lived in Lemon Grove
 since 1940. He's been active in help-
 ing our community to grow through his
 work in the Lemon Grove Chamber of
 Commerce and Men's Club. Bill's GROVE
 BARBER SHOP has been in its present
 location at 7916 Broadway for a little
 more than a year, where he's open Tues-
 day through Saturday from 9 a.m. to 6
 p.m. Bill's a GOOD barber — and a
 good friend.

"As an 'old-timer' in Lemon Grove," says Bill Dean, "I was
 sure happy to have the United States National Bank open their
 new offices here this year. I like the convenience of having a
 good local bank . . . and I like the friendly personal service I get
 at United States National. For my money, it's the friendly United
 States National Bank."

respect.

We might as well clarify right
here the charges of a newspaper's
partisanship. I am as distressed
when a reader asks me how I
stand as I am pleased when some-
one charges me with being par-
tisan. An editor wants more than
anything else, other than being
read, to be understood. If we
hadn't made our stand sufficiently
clear the charge of partisan-
ship could not have been lodged
or justified.

There you have the material
with which an editor works. He
deals in news and interpretation
of the news. His main tools are
facts. He studies the problem and
arrives at a conclusion knowing
full well that he will have to do
battle no matter which tack he
takes.

A newspaper editor does fight,
taking the issues as they come
and letting the chips fall where
they may. Your newspaper fights
for your right to know.

Be Sure Sitter
Knows What to Do
In Case of Fire

Do you ever leave your young-
sters home alone? Don't, espe-
cially if your children are very
young, warns Fire Chief H. L.
Hensley.

Children at home unattended
would be completely helpless in
case of fire or any other emer-
gency. Yet the National Fire Pro-
tection Association tells us that
more and more youngsters each
year are being trapped and killed
by fire because no one was on
hand to lead them to safety.

The NEPA sponsor of Fire Pre-
vention week, Oct. 9-15, in co-
operation with the International
Association of Fire Chiefs, has
this special warning for all par-
ents:

Never leave your children un-
attended. And be absolutely cer-
tain that your baby sitter is
trained and capable of protesting
your children in the face of emer-
gency.

In this week's paper is an an-
nouncement regarding National
Fire Prevention Week.

The cost of this announcement
was underwritten by a group of
civic and safety-minded citizens.

It's very important, the warn-
ing continues, that the sitter be
thoroughly fire-conscious; that
she never sleeps while on the
job; that she knows the location
of front and back exits, stairs
and porches, and the most direct
route from children's rooms to
the outside.

Make sure the sitter knows the
telephone number of the fire de-
partment. Show her where the
phone is and make it easy for her
by prominently posting the tele-
phone numbers of the fire and
police departments and doctor on
or near the phone.

The baby sitter should know
that at the first whiff of smoke
or gas, she should immediately
gather up the youngsters and get
them out of the house. And tell
her not to waste time dressing
the kids-wrap them in a blanket
and get them out at once!

Once the children are safely
away from the house, the sitter
should then call the fire depart-
ment, HO 6-4310 by phone from
a neighboring house.

MRS. SWENSON
WINS PRIZE IN
FASHION SHOW

A fashion show was presented
at the Juniors' annual mem-
bership party Tuesday evening in
the Woman's Clubhouse. Fash-
ions were made and modeled by
members of the organization and
clinaxed the summer sewing
contest sponsored by the Arts
and Crafts section. Mrs. William
Miller, arts and crafts chairman,
commentated the fashions and
was assisted by Mrs. Ralph Kraft,
first vice president of the Jun-
iors.

The garments were judged on
five points—suitability of fabric,
suitability of style, suitability of
color to wearer, workmanship,
general appearance.

Winner in the adult division
was Mrs. Robert Swenson who
wore an attractive pale pink
squad dress of cotton georgette
which was touched off with sil-
ver trimming. It was a Vogue

design.

Lynn Major, five-year-old
daughter of Mr. and Mrs. E. Ma-
jor and Janice Mitchell, teenage
daughter of Mr. and Mrs. Tom
Mitchell, were awarded duplicate
prizes in the children's division.
Lynn modeled a turquoise nylon
dotted Swiss dress made by her
mother. A pouch bag and bonnet
lined to match completed the cos-
tume. Janice's dress, also made
by her mother, was a one piece
perfectly matched plaid cotton
dress which featured a V neck
line, detachable white sailor col-
lar and tie. The full skirt was
softly pleated.

The judges for the contest were
Mrs. Freeborn Cressy, Kenneth
Arnold and Mrs. Robert Castig-
lia. The latter was a custom
dressmaker for Sophie Kimble,
Sacs Fifth Avenue, New York.

Each winner received \$10.00 in
material of her choice from Cres-
sy's Yardage plus a free home
sewing machine service from the
Arnold sewing machine company.

Baptist Laymen
To Be Honored
Sunday

Laymen of the First Baptist
Church, Lemon Grove, will be
recognized Sunday in special
services. A choir composed of
men of the church will render
special numbers at both morning
and evening services. At the
morning service one man chosen
from the church at large will be
introduced by the pastor as the
outstanding layman of the church
for this year.

Christian character, growth,
loyalty, cooperation and real use-
fulness to the church were the
qualifications considered in choos-
ing the layman to be introduced.

Sunday evening at 7:45 p.m.
the church will ordain three lay-
men as deacons, who will serve
for the next three years, bring-
ing the number of active deacons up
to nine. Incidentally, only lay-
men can be ordained as deacons.
The public is cordially invited to
attend both services.

Plans for complete re-design of kitchens are available, with all

Church History Bible Gift Rejected By Local Church as Part of Early History

Part 2 of a Series
By MARIE HERDER

In March of 1898 the Ladies Aid voted \$32 toward furnishings, provided it was not needed in finishing. They had spelling contests with Spring Valley, charging admission and taking turns with collecting admission receipts, to help pay the pastor. They bought a stove on trial, and also a lamp, paying for them as they could, a little at a time. They had frequent musicals at the Bryan home with volunteer musicians from San Diego, and cleared \$6 to \$8 on them. The Bryan home was a showplace then.

In February of '98 they took their first collection for missions, which amounted to \$3.45.

George Marston offered a fine Bible to the new church, but it was rejected, as Mrs. Stone had supplied one.

G. Aubrey Davidson, retired president of the Bank of America was an active member in 1902. They tried to find church pews for sale and asked Mr. Beidelman to lower the rostrum. He agreed to do the work himself... "some rainy day."

The ladies sewed for Mrs. Ed Fletcher, collecting \$1.50 for their work. One of Mr. Fletcher's sisters was a member of the Ladies Aid for some time.

Mrs. Holmes was elected president of the board of trustees in 1903, the first woman to hold that position. They appointed Mrs. Lester to canvass the Grove for the support of the church.

In February Rev. Musgrove agreed to be pastor of Spring Valley, La Mesa, and Lemon Grove churches. Home Missions sent a grant of \$85 to each community for the pastor's salary. Lemon Grove paid \$175 as their share, allowing a total of \$855 to him. In reply to their call he wrote from Los Angeles, "Cannot be with you next Sunday as the distance from here is long."

both were very active. Dr. Good still being with us. In 1907 the group tried to be self-supporting. They voted in 1908 to pay Rev. Burmose \$500 as their share. Sunday School boasted an enrollment of 90, which meant nearly every local child was attending. Mrs. Sonka, mother of the brothers who are still active here, was a hard-working member of the ladies aid.

Records show many welcome contributions from Sonka Bros. too.

During the next few years the women were very busy. For a time there was no resident pastor, so they rented the parsonage for \$5 per month. The women of '55 would do well to study their tactics as they induced the local water company to install the pipes and furnish water free to the parsonage. In 1908 they equipped a bathroom for the parsonage at a cost of \$46.45. They bought tables, chairs, silver, and kept things up at the parsonage. It was very difficult to get the parsonage completely furnished, but they did it—even soliciting in La Mesa and Spring Valley for funds.

They continued to do well at their musicals, and some enterprising member conceived the idea of hauling members in a carry-all at 5c each, to get them out to the musicals.

During the annual bazaar they served baked beans and brown bread for 10c; sandwiches and coffee 10c; home made pie, 5c. Miss Fletcher was in charge of the fish pond.

In 1909 the Sunday School provided a lavish treat for everyone and sent some surplus to a children's home. They even spent 65c for a Santa Claus costume.

By 1909 they reached the stage where they needed ushers, and elected Mr. Lester and Dr. Good to serve for a year. They called a special meeting to call Rev. Hand for their new pastor, if La Mesa would concur. In December they voted to be independent of La Mesa and pay the pastor \$600. By January they offered him

\$800, the parsonage, and a month vacation.

At this time they sold their lots to the school for \$1500 and bought others for \$1300. They discussed moving the buildings, but it was getting almost impossible to hold Sunday School classes in such a small, one-roomed church, so they discussed a new building. The trustees, Messrs. Burnell, Halley, Love, Hunt, and Good formed a building committee. By August they had secured \$5216 in pledges. They had to mortgage the new building pending aid from C.B.S. and moved in 1913 to the present sanctuary. They secured a grant of \$1000 and a loan of \$1500.

There was a large increase in membership at this time. Walter Denlinger was treasurer of the Sunday School and in January, 1913, the attendance was 91 and collection \$3.00.

MORE OF THOSE GOOD TACOS FOR CARNIVAL PLANNED BY GOLDEN AVENUE P-TA

Parents of Golden Avenue pupils are beginning to realize that Halloween isn't far away. The annual carnival sponsored by the Golden Avenue P-TA is taking shape and good eats and a good time are promised for all on Monday evening, October 31 at 5:30.

Some new games are planned but those good tacos and hamburgers can't be improved upon so they will remain the same.

349 Cups of Coffee Cement Relations At VLMPTA

By MRS. H. K. THURSLUND

Over the coffee cups, 349 mothers and teachers of the Vista La Mesa School found a chance to renew old and acquire new acquaintances, on the days between Oct. 14 and Oct. 28.

This opportunity was offered at the yearly coffee hours sponsored by the Vista La Mesa Parent-Teacher Association. The coffees are held at the homes of the room mothers of the 16 classes. The room mother is assisted by her co-chairman.

The purpose of these meetings is to give the mothers a chance to become acquainted with the mothers of the other children in her child's room, and to meet the teacher who in turn tells the parents what he or she expects to accomplish during the year.

Attending the affair was Mrs. R. C. Alexander, president, who greeted the mothers and invited them to become a part of the organization. Also attending were Mrs. M. T. Frazier, membership chairman; Peter Bakker, room representative chairman; and Edward Joerns, hospitality chairman.

and broken crockery and records for pickup shortly before Halloween. Doll clothes, cakes, pies, candy, homemade of course, and country store donations also will be sought. Fathers will be asked for assistance in setting up booths and dismantling them.

CHALLENGES POWER OF EVIL

"To put down the claim of sin, you must detect it, remove the mask, point out the illusion, and thus get the victory over sin and so prove its unreality." This statement by Mary Baker Eddy in "Science and Health with Key to the Scriptures" (447:24-27) is from the Lesson-Sermon to be read in all Christian Science Churches Sunday. The question "Are Sin, Disease, and Death Real?" is the subject.

JUNIOR HIGH OPEN HOUSE SCHEDULED

Room representatives, their chairman, Mrs. Richard Wells and Ben Schei, principal, all of the Lemon Grove Junior High School, received an invitation from the P-TA president, Mrs. E. F. Brady, to attend a meeting at her home in Vista La Mesa Wednesday, September 28, at 10 a.m.

Lou Smith, superintendent of the Grossmont Union High School District, explained the school bond election to be held October 14. It was decided that the room representatives would call the mothers of their room and remind them of the election.

Something for parents to look forward to this year will be the room coffee and tea hours, given by their respective room mothers.

The purpose of these meetings is to afford an opportunity for the mothers to become better acquainted with their child's teacher and the mothers of the other students in the room.

Other matters on the agenda which were discussed were the booths at the various school carnivals in the district and open house, which is to be held November 9, Mrs. Brady, president, announced.

Further carnival booth plans were mapped at a meeting Tuesday, October 4 at 1 p.m. This meeting was also held at the home of Mrs. E. F. Brady.

Vista La Mesa School Teachers Introduced to Readers

Third in a Series

New teachers plus total staff have been introduced from both San Miguel and Golden Avenue Schools. This week the Review brings readers the faculty of Vista La Mesa School.

Clarence Allen returns to the school this year with 16 teachers. Only one instructor new to the Lemon Grove School District teaches here this year, a third grade teacher, Miss Wilma Dean. Miss Dean, in her first year of education, graduated from Arizona State at Tempe with a B.A. degree. She has done work with YMCA groups before entering this profession.

Other staff members include Mrs. Roberta Smith and Mrs. Ellen Berdel, kindergarten; and Mrs. Grace Burks, Mrs. Lucille Hunt, Mrs. Linda McCrackin and Mrs. Josephine Dell, first grade. Second grade teachers are Mrs. Iris Ritchie, Mrs. Betty Fountain, and Mrs. Jessie Snell. Mrs. Snell's class is a second-third combination. Other third grade instructors are Miss Jana Wise and Miss Wilma Dean.

Mrs. Martha Whaley teaches a third-fourth combination, and Mrs. Barbara B. Hughes has a fourth grade. Mrs. Emma Tait has a fourth-fifth combination. Robert Masters and Seymour Metzner both teach fifth grades. Next week the Review will carry the roster of the Monterey Heights School.

TRINITY MEN PLAN

DINNER MEET

Men of Trinity Presbyterian Church are planning a dinner meeting, Monday, October 17 at 7 p.m., for the men of Trinity and the community. Chaplain F. W. Brink, the author of the devotional booklet, "Today" for October will be speaker.

The Clippers of Trinity will have an autumn retreat Saturday and Sunday at Idylwild.

Atchison GLOBE Hears About Review's New Plant

The Atchison (Kansas) Globe heard about the Review's open house and our souvenir edition, and told its readers about the event. Ollie Turnbull, the Review's advertising manager, seems to be well known in Atchison. The Atchison Globe used to publish a weekly edition 40 years ago, when this reporter was a subscriber and stole a lot of Gene Howe's stuff and style. The weekly is no longer published, but the daily is a dandy, 14 pages of news and ads. The Globe runs death notices in display ads of the various mortuaries.

The market column quotes "Hens 4 1/2 lbs and over, 15c-4 1/2 lbs. and under, 12c—Old Roosters 6c—Eggs 25c."

Chickens and eggs are higher out here, but we have a better climate. Come out and see us some time, boys.—D. H.

Lemon-8's Start With 12 Squares

The beginners square dance class sponsored by the Lemon-Eighters at the First Congregational Church started their fall season with approximately 12 squares.

Club pins and membership cards were issued to members on graduation night, August 25, followed by dancing to the music of the H & H Tunetwisters and several guest callers. The next meeting will be on September 22 for another grand night of dancing and lots to eat. Plans for the future include a Halloween costume party.

The club now dances the second, third and fourth Thursday of each month at Friendship Hall.

FIRE PREVENTION WEEK - OCTOBER 9-15

We, business men in Lemon Grove and Spring Valley, are deeply interested in the welfare of every resident, and urge that parents take every precaution to prevent fires caused by their own carelessness or failure to instruct their children in ways to prevent them from occurring. AVOID LOSS OF LIVES, DISFIGUREMENTS OR DESTRUCTION OF YOUR HOME by observing all common sense rules of carefulness.
